

## VBS 2021

Monday—Friday  
9am—Noon

We will begin and end each day in the Sanctuary. Take a look inside with all the ins and outs of drop off and pick up.

Snacks will be served each morning. If your child has any allergies/food insensitivities, please mark that on your form and feel free to send a snack if you prefer.

Kids will receive water bottles on Monday to keep on them throughout the week due to our water fountains being shut off due to Covid.

*We will communicate Covid guidelines prior to the start of VBS.*

## **Thank you!**

We are so thankful you have chosen to join us for an amazing week at Vacation Bible School. Children are important here at Chilhowee Hills. Studies show that children between the ages of 5-12 have the greatest chance of becoming a Christian more than any other age group. Because of this, we desire to teach and disciple our kids to become followers of Jesus.

Join us on Sunday mornings at 9:15am for Bible Fellowship classes for all ages. Kids will learn who God is and His plan for their lives. On Wednesday evenings at 6:30pm, kids participate in EKG.

Here, they learning Bible Skills, memorizing God's Word and learn why we believe what we believe. Our preschoolers learn important Bible Skills, missions, and lessons to help them learn who God is. There is something for everyone!

## MONDAY MORNING REGISTRATION

**The first day, expect the unexpected. Read this section carefully with all you need to know for the first day you bring your child. Registration will take place at Connection Central (behind the Worship Center). If you have pre-registered, class lists will be available on the walls as you enter the lobby, or you may see one of our many greeters to direct you. Teachers will be in the sanctuary 15 minutes prior to our worship rally each day. Take your child to their designated row. Kids will be picked up through our car rider line for easy and safe pick up. You will be given a car tag to pick up your child. If you do not display your car tag, you will need to come inside to pick up your child.**

**If you have not pre-registered, go to the designated table (by grade) to be assigned a class. Once you are assigned a class, take your child to the sanctuary and find his/her row.**

## SUNDAY FAMILY DAY

Family Day is **June 13** during our morning services in the Sanctuary. You will receive information as to when and where your child will need to be that morning. Join us as we celebrate all that went on during VBS! Kids will perform the songs they learned and we will watch a video from the week.
